**SOUTHERN CALIFORNIA EDISON COMPANY'S  
NOTICE OF APPLICATION AND PROPOSED CHANGE IN ELECTRIC RATES TO  
RECOVER THE COSTS ASSOCIATED WITH THE COMPANY'S NUCLEAR  
DECOMMISSIONING TRUST FUND**

**APPLICATION NO. A.12-12-013**

On December 21, 2012, Southern California Edison Company (SCE) filed an application with the California Public Utilities Commission (CPUC) to set contribution levels for the company's nuclear decommissioning trust fund and other related issues in connection with San Onofre Nuclear Generating Station (SONGS) Units 1, 2, and 3.

In this application, SCE requests the CPUC to approve increased contribution to its Nuclear Decommissioning Trust Funds (NDCTP) for SONGS Units 2 & 3 and for Palo Verde Nuclear Generating Station Units 1, 2 & 3 after the end of their current Nuclear Regulatory Commission license periods. The current annual revenue requirement to cover contributions to SCE's trust funds is \$22.99 million. SCE is requesting that this revenue requirement be increased to \$41.44 million or 0.2% annually beginning January 1, 2014, when compared to total system revenues at present rates (as of October 2012).

**ILLUSTRATIVE EFFECT ON ELECTRIC RATES AND BILLS**

**The requested 2014 NDCTP revenue requirement results in an annual increase of \$18.45 million or 0.2% beginning January 1, 2014, when compared to total system revenues at present rates (as of October 2012). If total rates were to change as requested, an average residential customer using 600 kilowatt-hours (kWh) per month would see an increase of \$0.16 per month, from \$107.52 to \$107.68.** The following table shows an estimate of proposed revenues and rate changes by customer group:

<b>SCE's Nuclear Decommissioning Cost Triennial Proceeding Application (NDCTP) For January 1, 2014 Implementation</b>

**EVIDENTIARY HEARINGS**

The CPUC **may** hold Evidentiary Hearings (EHs) whereby formal parties of record provide testimony and are subject to cross-examination before a CPUC Administrative Law Judge (ALJ). These hearings are open to the public, but only those who are formal parties of record may participate. For information relating to the hearings, you may contact the Public Advisor's Office (PAO) at the address or phone number shown at the end of this notice. If EHs are

scheduled, a separate notification to SCE customers regarding the date, time, and location of these hearings will be sent as a separate bill insert, or will appear as a newspaper notification.

The CPUC has its own court reporters who will record the comments of those formal parties of record participating in the EHs. After considering all proposals and evidence presented during the formal hearing process, the assigned ALJ will issue a proposed decision. When the CPUC issues a final decision on the application, it may adopt, amend, or modify all or part of the ALJ's proposed decision as written. The CPUC's decision may be different than SCE's request.

### **CPUC PROCESS**

The Division of Ratepayer Advocates (DRA) is an independent arm of the CPUC, created by the Legislature to represent the interests of all utility customers throughout the state to obtain the lowest possible rates for service consistent with reliable and safe service levels. DRA has a multi-disciplinary staff with expertise in economics, finance, accounting, and engineering.

If you wish to file written comments on this proceeding, you may send them to the CPUC's PAO at the address or email shown below. Please state that you are writing concerning SCE's application A. 12-12-013. Your comments will become a part of the formal correspondence file for public comment in this proceeding. The PAO will circulate your comments to the five Commissioners, the assigned ALJ, DRA, and to CPUC staff assigned to this proceeding. You may also contact the PAO if you need advice on how to participate in this proceeding. Should Public Participation Hearings be scheduled, you will be notified by a separate post card mailer or as a bill insert with the dates, times, and locations of any hearing on SCE's application identified. Finally, you may also review a copy of this Application and related exhibits at the CPUC's Central Files Office at 505 Van Ness Avenue, 2<sup>nd</sup> Floor, San Francisco, CA from 8:00 a.m. to noon daily.
